Prayer for the Week: O, mighty God, give me the wisdom to discern that which is false. Give me the power to resist what is evil; and give me the knowledge to know what is good and pure and from yourself.

There are bibles available at the back of church for those people who wish to use them during worship.

We sing together:

Impaled between the bandit's scorn,
The cruel nails, the crown of thorn,
He offers love and grace.
